- ◆ **Communications:** Members receive regular updates via newsletters, e-mails and the annual general meeting. Visit the new **website** www.birchisland.info
- ◆ **Trails & Roads:** The association ensures the interior trails and roads are maintained for islanders recreational use and enjoyment. Improved signage is planned for this year.
- ◆ **Representation:** The association monitors activities of other lake associations, waterway authorities, the municipality and other levels of government. Highlights are shared with the island community. Your views are represented.
- ◆ **Survey:** Take a moment to let us know *your* interests and ensure the association is relevant to *you*.
